\*,DSTAT=DSTAT  
 Run-time: 1 0 0 Seconds  
 Core used: 9K

Faint header text, possibly a title or page number, located at the top left of the page.

Faint table with multiple columns and rows, containing illegible data. The table appears to be a ledger or record sheet with several columns of varying widths and some rows that are more prominent than others.

Faint footer text, possibly a page number or date, located at the bottom of the page.
