

ST. Geo AMPLIFIER

MODEL 363

EL BASSO

George's Music Inc
Hollywood Calif
Mfg by
Massie Electronics
Los Angeles
Calif

Here is a schematic for Ray Massie's El Basso amp first produced for the Dopyera Brothers baby bass & then used by Massie for the St. George line he produced for George's Music in Hollywood.
This is pasted to the back of the speaker baffle in my St. George Lancer.
