

A1 Main circuit board "A" side.

A5 Dual differential Amplifier circuit board.  
SN B060000 - up

NOTE: This assembly replaces the following components:

C328, C335, C342, C345, C360  
R338, R340, R345  
U350

To Q320 COLLECTOR

NOTE

The following CKT NO's  
are ferrite beads. Refer to  
schematic diagrams for  
locations.

L190  
L191  
L245  
L265  
L270
