

# IC INFORMATION

|          |                  |                        |          |          |
|----------|------------------|------------------------|----------|----------|
|          |                  | <b>S-80826ANUP-EDP</b> |          | <b>J</b> |
| Function | Voltage Detector | 1/1                    |          | <b>E</b> |
| Type     | CMOS             | Model                  | DEH-P919 |          |
