

number of persons under treatment has never been so large as it was in the first year.

#### UNIVERSITY AND EDUCATIONAL NEWS.

MR. A. C. BARTLETT has given the University of Chicago \$125,000 for a gymnasium as a memorial of his son who died on July 15th.

A COLLECTION of eight hundred Arabic manuscripts, made by Count Landberg and said to be worth \$20,000, has been presented to Yale University by Mr. Morris K. Jesup of the American Museum of Natural History.

THE trustees of the College of the City of New York are considering the lengthening of the course to seven years. They have asked that the appropriation made by the Board of Estimate and Apportionment last year be increased from \$200,000 to \$225,000. It is expected that the new buildings in 138th Street will be begun during the present autumn.

THE new president of the University of Rochester, Rev. Rush Rhees, who was elected last June, has assumed control, and his formal installation will take place on October 11th. President Seth Low, of Columbia University, will deliver an address on 'The City and the University'; President Harper, of the University of Chicago, will speak on 'The College Officer and the College Student'; President Seelye, of Smith College, will speak on 'Limitations to the President's Power in the American College.'

THE London *Educational Times* states that during the coming session evening science courses will be held in connection with the Technical Education Board at University College, King's College and Bedford College. At University College Professor J. A. Fleming, F.R.S., will give a course of ten lectures, followed by laboratory practice, in advanced electrical measurements. A course of lectures on the electric motor and its application to electric traction will be given by Professor C. A. Carus-Wilson, each lecture to be followed by an experimental demonstration or by a class for the practical working of numerical examples in connection with the subject. A course will be given by Professor E. Wilson at King's College on direct and alternating currents. In mechanical engineering,

Professor T. Hudson Beare will give a course of ten lectures at University College, on the theory of steam engines and boilers, with laboratory work on the testing of steam engines and boilers. Professor Beare will also give a course of five lectures on the theory of gas and oil engines, combined with laboratory work.

DAVID J. BREWER, Associate Justice of the United States Supreme Court, has accepted the position of lecturer on the responsibilities of citizenship at Yale University. The lectures will be delivered next February.

PROFESSOR GOSS, who has for a number of years been professor of mechanical engineering and director of the mechanical laboratory in Purdue University, Lafayette, Ind., has been made dean of the Engineering Schools of the University.

PROFESSOR L. C. GLEN, of South Carolina College, has been appointed professor of geology at Vanderbilt University.

J. R. STREET, Ph.D. (Clark), has been appointed professor of pedagogy at Syracuse University.

MR. ALEXANDER MACPHAIL, M.B., C.M., senior demonstrator of anatomy in Glasgow University, has been appointed professor of anatomy in St. Mungo's College, Glasgow.

THE following promotions have been made in German universities: Dr. Wilhelm Authenrieth, of the University of Freiburg, has been appointed associate professor of pharmaceutical chemistry; Dr. R. Abegg, of the University of Breslau, associate professor of chemistry; Dr. A. Loewy, of the University of Berlin, professor of physiology; Dr. Osann, of the University at Basle, associate professor of geology and mineralogy; Dr. Paul Eisler and Dr. Vorländer, of the University at Halle, associate professors of anatomy and chemistry, respectively.

DR. JOSEPH ANTON GMEINER has qualified as docent in mathematics in the University of Vienna; Dr. Max Schwarzmänn, as docent in mineralogy at the University of Giessen; Dr. Joseph Boleslaw Grzybowski, as docent in paleontology at the University of Cracow and Dr. Steinbrück as docent in agriculture at the University at Halle.
