

year and at some other point in the state on alternate years. Usually the attendance is larger when the meetings are held in Lincoln as so many members are connected with the university and the Lincoln colleges. When held outside of Lincoln, there are usually interesting field trips and the smaller number makes possible a closer personal contact.

On Friday evening, the members were served the evening meal by the domestic science class. For the other meals, tables were set apart for the academy members at the college dining hall.

Following is the program:
