

Foundation, Inc., in form to be approved by the attorney general, to immediately return, transfer and assign to the alien property custodian, all patents, trademarks, copyrights, contracts, applications or other properties or rights transferred to it by the alien property custodian as aforesaid, and to account to you for any and all rents, profits, license fees, or other proceeds thereof realized by said Chemical Foundation, Inc., from said properties, or rights or any of them from the date of transfer thereof to the Chemical Foundation, Inc., to the date of restitution.

2. Take any other action which may be advised or approved by the attorney general, by suit or otherwise, to fully and in every respect protect the rights or interests of the United States and any other person or corporation interested therein, in and to the properties and rights aforesaid, and any proceeds, income or profits therefrom in the hands of the Chemical Foundation, Inc., or its officers, agents or employees.

In carrying out these instructions you will act upon the advice of the attorney general.

THE ROCKEFELLER INSTITUTE FOR MEDICAL RESEARCH

THE Board of Scientific Directors of the Rockefeller Institute for Medical Research announces the following promotions, appointments and other changes:

Dr. Wade H. Brown, hitherto an associate member in pathology and bacteriology, has been made a member.

Dr. Homer F. Swift, hitherto an associate member in the department of the hospital, has been made a member.

Dr. Carl A. L. Binger, hitherto an assistant in the department of the hospital, has been made an associate.

Dr. Albert H. Ebeling, hitherto an assistant in experimental surgery, has been made an associate.

Dr. Laura Florence, hitherto an assistant in the department of animal pathology, has been made an associate.

Dr. Albert B. Hastings, hitherto an assistant in the department of the hospital, has been made an associate.

Dr. Philip D. McMaster, hitherto an assistant in pathology and bacteriology, has been made an associate.

Dr. Louis A. Milkeska, hitherto an assistant in chemistry, has been made an associate.

Dr. Ida P. Rolf, hitherto an assistant in chemistry, has been made an associate.

Mr. Fred A. Taylor, hitherto an assistant in chemistry, has been made an associate.

Dr. Hugh J. Morgan, in the department of the hospital, has been appointed resident physician at the hospital.

Dr. David I. Hitchcock, hitherto a fellow in general physiology, has been made an assistant.

Mr. James M. Neill, hitherto a fellow in the department of the hospital, has been made an assistant.

Mr. Henry S. Simms, hitherto a fellow in chemistry, has been made an assistant.

The following new appointments have been made:

Professor Karl Landsteiner, member in pathology and bacteriology.

Dr. Christian Lundsgaard, associate in the department of the hospital.

Dr. Thomas M. Rivers, associate in the department of the hospital.

Miss Lillian E. Baker, chemical assistant in the division of experimental surgery.

Dr. Edmund A. G. Branch, assistant in the department of the hospital.

Dr. George R. Brow, assistant in medicine and assistant resident in the hospital.

Dr. Harry W. Dahl, assistant in medicine and assistant resident in the hospital.

Dr. Douglas R. Drury, assistant in pathology and bacteriology.

Dr. Geoffrey C. Linder, assistant in medicine and assistant resident in the hospital.

Dr. Henry A. Murray, Jr., assistant in the department of the hospital.

Mr. Fredric M. Nicholson, assistant in pathology and bacteriology.

Miss Ida W. Pritchett, assistant in pathology and bacteriology.

Dr. Harold A. Salvesen, assistant in medicine and assistant resident in the hospital.

Dr. Harold J. Stewart, assistant in medicine and assistant resident in the hospital.

Dr. Chester M. Van Allen, assistant in pathology and bacteriology.

Miss Helena A. M. Tibbetts, fellow in the department of animal pathology.

Changes in position have taken place as follows:

Dr. Harold L. Amoss, hitherto an associate member in pathology and bacteriology, has accepted a position as associate professor of medicine at Johns Hopkins Medical School.

Dr. Lloyd D. Felton, hitherto an associate in

pathology and bacteriology, has accepted a position as assistant professor in preventive medicine at the Harvard Medical School.

Dr. Raymond G. Hussey, hitherto an associate in bio-physics, has accepted a position as assistant professor in pathology in Cornell University Medical College.

Dr. Robert L. Levy, hitherto an associate in the department of the hospital, has accepted a position as associate in medicine at the College of Physicians and Surgeons, Columbia University, and assistant visiting physician at the Presbyterian Hospital.

Dr. Edgar Stillman, hitherto an associate in the department of the hospital, has accepted a position as associate in medicine at the College of Physicians and Surgeons, Columbia University, and assistant visiting physician at the Presbyterian Hospital.

Dr. Goronwy O. Broun, hitherto an assistant in pathology and bacteriology, has accepted a position as assistant in the Thorndyke Laboratory, Boston, Mass., and assistant resident physician at the Boston City Hospital.

SCIENTIFIC NOTES AND NEWS

ALFRED GOLDSBOROUGH MAYOR, director of the department of marine biology of the Carnegie Institution, died on June 25, at Key West, Fla., aged fifty-four years.

PRINCE ALBERT DE MONACO, distinguished for his oceanographic studies, died in Paris on June 27, at the age of seventy-four years.

DR. F. G. COTTRELL has been appointed director of the Fixed Nitrogen Research Laboratory. He succeeds Dr. Richard C. Tolman, who goes, as has been already announced, to the California Institute of Technology.

THE Albert Medal of the Royal Society of Arts for 1922 has been awarded by the council to Sir Dugald Clerk, in recognition of his important contributions, both theoretical and practical, to the development of the internal combustion engine.

THE John Fritz medal has been presented by the board representing the leading engineering societies to Senator Guglielmo Marconi. The medal is presented for achievement in applied science as a memorial to John Fritz, who was the first recipient. Other recipients of the

medal have been Lord Kelvin, George Westinghouse, Alexander Graham Bell, Thomas Alva Edison, Charles T. Porter, Alfred Noble, Sir William Henry White, Robert W. Hunt, John Edison Sweet, James Douglas, Elihu Thomson, Henry Marion Howe, J. Waldo Smith, George W. Goethals and Orville Wright.

JOHN LYLE HARRINGTON of Kansas City, Mo., has been nominated as president of the American Society of Mechanical Engineers, succeeding Dean Dexter S. Kimball, formerly of the Cornell University College of Engineering. The newly nominated vice presidents of the society are: W. S. Finlay, vice president of the American Water Works and Electric Company, New York; William H. Kenerson, professor of mechanical engineering, Brown University; Earl F. Scott, Atlanta, Ga.; H. H. Vaughan, Montreal.

ON June 4, at the special invitation of the governors and the medical school, Professor Harvey Cushing took over the directorship of the surgical unit of St. Bartholomew's Hospital and replaced the director, Mr. Gask for ten days. The compliment was, as it were, a return for a like compliment paid to Mr. Gask last year, when he acted as temporary chief of the Peter Brigham Bent Hospital, Boston, to which Dr. Harvey Cushing as professor of surgery at Harvard is surgeon.

THE honorary degree of Doctor of Laws was conferred by Wesleyan University on June 19 on Dr. John Campbell Merriam, president of the Carnegie Institution of Washington.

AMHERST COLLEGE at the recent commencement conferred the degree of doctor of science on Dr. Walter W. Palmer, a graduate in the class of 1905, professor of medicine in Columbia University.

MR. GEORGE ROCKWELL PUTNAM, commissioner of lighthouses, U. S. Lighthouse Service, received the honorary degree of doctor of science at the fiftieth commencement of Stevens Institute of Technology.

A LARGE meeting was held at the Sorbonne on June 14 to do honor to M. Camille Flammarion, the astronomer, who celebrated his eightieth birthday. M. Paul Painlevé, of the Institute,
