### AUDITOR'S REPORT

I have employed Mr. W. R. Gallaher, an accountant at the Interstate Commerce Commission, to go over the accounts of the Permanent Secretary for the year ending September 30, 1923. He makes the following report:

This is to certify that I have carefully examined the receipts and disbursements in currency, checks, etc., of the Permanent Secretary's office of the American Association for the Advancement of Science for the twelve months' period ending September 30, 1923, and have found the records correctly kept. Proper vouchers were shown for all disbursements.

(Signed)	W. R. GALLAHER,
	Examiner of Accounts

I have reason to believe that Mr. Gallaher is an experienced and reliable accountant and that the above statement is a dependable report on the state of the accounts which were audited.

	Very truly yours,
(Signed)	ROBERT B. SOSMAN,
	Auditor

Washington, November 26, 1923.

A general statement regarding the finances of the Association for 1923 has appeared in SCIENCE for January 25, 1924, page 84.
