Marine Biological Laboratory

Woods Hole, Mass.

INVESTIGATION

Entire Year

Facilities for research in Zoology, Embryology, Physiology, and Botany. Eighty-four private laboratories \$100 each for not over three months. Thirty tables are available for beginners in research who desire to work under the direction of members of the staff. The fee for such a table is \$50.00.

INSTRUCTION

July 2 to August
12, 1924

Courses of laboratory instruction with lectures are offered in Invertebrate Zoology, Protozoology, Embryology, Physiology and Morphology and Taxonomy of the Algae. Each course requires the full time of the student. Fee, \$75.00.

SUPPLY DEPARTMENT

Open the Entire
Year

Animals and plants, preserved, living, and in embryonic stages. Preserved material of all types of animals and of Algae, Fungi, Liverworts and Mosses furnished for classwork, or for the museum. Living material furnished in season as ordered. Microscopic slides in Zoology, Botany, Histology, Bacteriology. Catalogues of Zoological and Botanical material and Microscopic Slides sent on application. State which is desired. For catalogues and all information regarding material, address:

GEO. M. GRAY,

Curator, Woods Hole, Mass.

The annual announcement will be sent on application to The Director, Marine Biological Laboratory, Woods Hole, Mass.

Summer School in Biology at Cornell University

July 5—August 15, 1924

Courses in zoology, entomology, embryology, histology, human physiology, botany, mycology, plant pathology, plant physiology, bacteriology, cytology, and genetics.

Graduate work leading to certificates and advanced degrees.

All the well-known facilities of the Cornell laboratories and libraries at the service of the students. Rich collecting ground easily accessible.

A wide range of courses in several colleges of the University: *Agriculture, Arts and Sciences, Engineering, Law.*

Special courses in Education and Rural Education.

Research Prize of \$1,000

THE ELLEN RICHARDS RESEARCH PRIZE

is offered for award in the year 1925. Theses by women based on independent laboratory research are eligible for competition and must reach the Committee before January 15, 1925.

If the prize is not awarded a grant is available under certain conditions.

For circulars of information and application blank, apply to

President ADA L. COMSTOCK
Radeliffe College, Cambridge, Mass.

For further information apply to the Secretary, Mrs. Samuel F. Clarke, Williamstown, Mass.

THE BIOLOGICAL RED BOOK

Turttox Preserved Material *Catalog for 1924*

The new Turttox Catalog of Preserved Materials is illustrated with over twenty pages of original drawings of type specimens of the various animal phyla. One division of the catalog deals with materials for Zoology, another division with Botany, and a third with Embryology. Every person who teaches Biology or supervises the teaching of any of the Biological Sciences will want a copy of the Red Book. Your copy is free—write for it to-day.

The Sign of the Turttox Pledges Absolute Satisfaction

Laboratory and Student
Microscope "L 10"

Leitz Microscopes are the Standard of the World

In Stock for Immediate Delivery

Leitz Laboratory and Student Microscopes "L" and "LL"

A Student Microscope is naturally subjected to hard usage and in order to withstand severe handling, its workmanship has to be durable beyond question.

The Leitz Laboratory and Student Microscopes embody the same high standard of optical and mechanical workmanship, so strongly identified with Leitz products, and are guaranteed, therefore, to serve in student laboratories in a more satisfactory manner than any others.

The "Leitz-Quality" is beyond comparison, and since it is unequalled, it is supreme.

Optical and Mechanical Efficiency are the chief points expected of any microscope; the Leitz instruments are recognized to possess these standards to a non-contestable degree.
