

THE BEST EDUCATION

Is none too good for the demands of our time

Young people should add to a High School course all for which they have storage capacity.

A new world will be opened up to them by a thorough course in Literature, History and the various departments of Science and Engineering.

All who are interested in such courses in

BUCKNELL UNIVERSITY

are invited to correspond with

President EMERY W. HUNT, or THE REGISTRAR
AT LEWISBURG, PA.

WANTED: Young man, preferably recent graduate, trained in Chemistry to hold Fellowship in Nutrition, \$900 per annum, and room and possibility for graduate work.

Signed **GEORGE W. HERVEY,**
New Jersey Experiment Station,
New Brunswick, N. J.

WANTED—INSTRUCTORS IN SCIENCE

The Interstate Teachers' Agency, Macheca Building, New Orleans, Louisiana, needs an instructor in Botany and one in Bacteriology beginning February 1st. Master's degree required. Salary two thousand per year each. College positions.

THE LAMOTTE H-ION TESTING SET

(Model 3B)

Rapid, Accurate, Simple

A complete, portable outfit for determining the pH values of a wide range of substances. Especially valuable where only a small amount of the material is available for testing purposes. Simple in operation and produces results which are accurate to 0.1 pH.

All the necessary equipment is compactly arranged in a mahogany case which may be carried conveniently, thus permitting accurate work in the field as well as in the laboratory. Descriptive pamphlet sent on request.

We carry a complete line of Indicator Dyes, Buffer Salts, etc., for use in the determination of H-Ion Concentration, as well as many other standardized chemicals.

Our new illustrated catalog, containing full information concerning "LaMotte Standards," sent on request.
