THE
CENTURY BIOLOGICAL SERIES

Edited by

ROBERT HEGNER, Ph.D.

HOST-PARASITE RELATIONS
BETWEEN MAN AND HIS
INTESTINAL PROTOZOA

By Robert Hegner, Ph.D. This book gathers together from widely scattered and not readily available sources much important data dealing with host-parasite relations of the intestinal protozoa of man, and presents it in a systematic and clear-visioned manner. 8vo, 235 pages. Price, \$4.00.

ANIMAL PARASITOLOGY

By Robert Hegner, Ph.D., Francis M. Root, Ph.D., and Donald Augustine, Sc.D. This is the only up-to-date textbook in animal parasitology written in the English language. A section is devoted to protozoology, another to helminthology, and a third to medical entomology. Royal 8vo, 731 pages. Price, \$6.50.

IMMUNOLOGY OF
PARASITIC INFECTIONS

By William H. Taliaferro, Ph.D. This book is an exhaustive record of the work that has been done on the infections with animal parasites. It provides, in a clear, systematic form, information that was formerly scattered and inaccessible. Royal octavo, 414 pages. Price, \$6.00.
