LEADERS IN EDUCATION

A BIOGRAPHICAL DIRECTORY

Edited by J. McKEEN CATTELL

Editor of School and Society

Contains biographies of those in America who have done the most to advance education, whether by teaching, writing, research, or administration. They are those to whom daily reference is made in the press, from whom all positions of importance are filled. It is a work essential to all who have relations with those engaged in educational work and is necessary to every reference library.

Over 1,000 pages—Over 11,000 biographies

Price \$10

Experience in PRINTING

Scientific printing demands an unusual degree of care and intelligence. The Science Press Printing Company brings to this work a broad experience in handling scientific subjects. In the printing of scientific and educational journals, books and monographs, this organization is well fitted to produce work of high quality at reasonable prices. Our favorable location, modern equipment and trained personnel are important factors to be considered.

Estimates will be gladly supplied on the printing of scientific literature.
