Physical and Chemical Changes in Nerve During Activity

By A. V. HILL, W. O. FENN, R. W. GERARD and
H. S. GASSER, with an introduction
by G. H. PARKER

OCCASIONAL PUBLICATION NO. 2 OF THE
AMERICAN ASSOCIATION FOR THE ADVANCEMENT
OF SCIENCE

These Publications are issued as supplements to volumes of SCIENCE, but are sold separately or as a series. They can be bound in at the end of a volume of SCIENCE, or they can be bound together as a series of Occasional Papers, or they can be bound or filed separately under a suitable subject classification.

This symposium of "Physical and Chemical Changes in Nerve During Activity" follows the first publication which was the Report of the Committee on Patents, Copyrights and Trade Marks entitled "Protection by Patents of Scientific Discoveries."

The Journal of Nutrition

Published monthly by The Wistar Institute of Anatomy and Biology beginning with No. 1 of Vol. 7, issued on January 10, 1934.

This journal will continue its same high scientific standard under the editorial management of an internationally known group of biochemists and nutrition experts.

The Journal of Nutrition is the official organ of the American Institute of Nutrition.

Two volumes of 600 pages each will be published during a year. Price per volume \$5.00 domestic, \$5.50 foreign.
