

Increases Capacity of Class Rooms

Lincoln Science Desk
No. D-503

If your laboratory classrooms are crowded, check up on your laboratory furniture. Today, such furniture as Kewaunee's Lincoln Science Desks makes possible larger classes in the same rooms, more efficient handling of classes, more efficient work by students and all day use of laboratory classrooms.

Write us today for full particulars about Lincoln Science Desks and other space saving furniture for laboratory, home economics and vocational classrooms. Floor plans and engineering service offered without charge to interested parties.

Remember, "some things can't be covered by specifications, nor their value expressed in price."

Pushing, Pulling, Prying

or twisting will not loosen, or even tend to loosen, the blade of the Beaver Knife.

Handle and blade ingeniously interlock to provide all the rigidity of a one-piece tool.

Yet blades can be changed in two seconds!

Would You Like to TRY IT?

On an approval basis we will send, for \$1.75, postpaid, the lifetime handle of stainless steel, a dummy blade for practise, and a packet of six assorted blades of finest surgical steel.
