# **Election of AAAS Officers**

The AAAS Committee on Nominations and Elections met on 19 August to select candidates for the offices of president-elect and members of the Board of Directors. After considering suggestions received from Council members by mail ballot, the committee nominated the following persons:

President-elect (one to be elected)
Paul M. Gross
William W. Rubey

Members of the Board of Directors
(three to be elected)
Theodore C. Byerly
Henry Eyring
Don K. Price
Mina S. Rees
William C. Steere
Alan T. Waterman

Ordinarily there are only two vacancies to be filled on the Board of Directors, but this year, in addition to two members to be elected for regular four-year terms, the Council will elect a third member to complete an unexpired term of one year.

The Board members whose terms expire at the end of 1960 are Don K.

Price, Mina S. Rees, and Alan Waterman. Dr. Waterman is completing a full term. Drs. Price and Rees, who have served for two and three years, respectively, were elected to fill vacancies on the Board.

Election procedures established by the Council provide that additional candidates for any of the elective offices may be nominated and included on the ballot by a petition signed by no fewer than 30 members of the Council and submitted to the executive officer no later than 1 November.

Council members will receive ballots for election by preferential mail vote by 10 November. The results of the election will be announced on 27 December at the Association's 1960 annual meeting in New York. Biographical data concerning each of the candidates follow.
