

## GRALAB ALL-PURPOSE TIMERS

Easy to see and set! Large 8" dial can be set for any time within range of 3600 distinct settings (1 sec. to 60 min., 1 min. to 60 hrs., etc.). At end of preset interval, alarm sounds and external load is automatically switched on or off. Split-second synchronous accuracy. Models at \$26 to \$33. Write for new 8-page illustrated catalog.

**DIMCO-GRAY COMPANY**  
207 E. Sixth St., Dayton, Ohio 45402

Keep your copies of **SCIENCE** always available for quick, easy reference in this attractive, practical binder. Simply snap the magazine in or out in a few seconds—no punching or mutilating. It opens **FLAT**—for easy reference and readability. Sturdily constructed, this maroon buckram binder stamped in gold leaf will make a fine addition to your library.

**SCIENCE** Binders hold one three-month volume of **SCIENCE**. They have a 3¼-inch back and 13 flat fasteners. \$3.75 each. Four binders, \$14.00.

For orders outside the United States add 50¢ per binder. Imprint: name of owner, add 85¢ per binder; year of issues, for example, 1967-2, add 60¢ per binder.

**SeaKem® Brand  
Agarose**

Exclusive Distributor in the  
laboratory and clinical fields—  
**BAUSCH & LOMB**

Agarose is a highly soluble, strongly-gelling, non-ionic Agar extract (powder form), with minimal absorption and electroendosmosis. Useful in zone- and immuno-electrophoresis, bacteriology and immunology where increased sensitivity is desirable. A major application is for use in the new Bausch & Lomb Spectrophor I... the most advanced electrophoresis system.

25 grams Agarose .....	\$10.00
100 grams Agarose .....	35.00
250 grams Agarose .....	75.00

Write for price quotation on larger quantities.

For more information ask for Agarose Data Sheet 34-2090 and Spectrophor I Catalog 34-2138, Bausch & Lomb, 20701 Bausch Street, Rochester, New York 14602.

## ATOM-VAC® TABLE FREEZE DRYER

Pat.  
#3245152

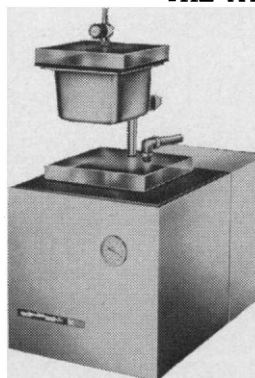

**IDEAL FOR EDUCATIONAL PURPOSES  
AND LABORATORIES DOING LIMITED DRYING**

Compact, Economical, Implosion-Proof  
Mechanically refrigerated, 110/120 volts

Requires only 12 in. × 20 in. of Table Space

**ELIMINATES ALL VACUUM GLASSWARE**  
can lyophilize up to 300 cc. of shell frozen material  
(depending on the material)

**NO REASON TO USE DRY ICE TRAPS, ANYMORE  
THE ATOM-VAC TABLE**

**FREEZE DRYER IS SIZED RIGHT!  
PRICED RIGHT!**

Atom-Vac freeze drying  
makes conventional  
methods obsolete.

½ H.P. condensing unit  
maintains -50°F.

**THE COMPLETE PRICE  
LESS VACUUM PUMP \$595.00**

## EXCELLENT ACADEMIC OPPORTUNITIES

... Teaching and Administrative positions in Midwest and other areas of U.S. Colleges and Universities absorb recruitment costs. Send resume to E. E. Hansbrough, Executive Director, University and College Staffing Center and American College Bureau, 28 E. Jackson Blvd., Chicago, Ill. 60604.

## SCIENCE INFORMATION AND REGULATORY AFFAIRS

This position requires a Ph.D. in a biological science and up to three years' research experience. The qualified candidate will possess a systematic approach to problem solving; the ability to communicate effectively orally and in writing; familiarity with the terminology of human clinical reports; and the desire to join a professional team using highly sophisticated techniques of data collection.

He will prepare, negotiate, and prosecute reports of scientific and technical information, and assure that the chemical, biological, toxicological, and clinical data are internally consistent, scientifically valid, and accurately summarized. He must exercise prudent judgment of a high scientific caliber to assure the validity and relevancy of all submissions to governmental agencies.

If your long-range interests are research administration, you should explore this expanding career field.

For detailed information, reply in confidence to:

**Supervisor,  
Professional Employment  
MEAD JOHNSON  
Evansville, Indiana 47721**

An Equal Opportunity Employer

## POSITIONS OPEN

Applications are invited for one position in Department of Zoology, Teaching and Research, Ph.D. required. Fields of specialization to be considered primarily: EXPERIMENTAL EMBRYOLOGY, ELECTRON MICROSCOPY, MOLECULAR BIOLOGY. Salary and rank commensurate with experience. Send resume to: **Chairman, Department of Zoology, University of Arkansas, Fayetteville, Arkansas 72701**

**Pathologist-M.D., D.V.M. or Ph.D.** with research background in atherosclerosis, trained in electron microscopy. To \$15,000 for part-time commitment. Resumes and/or inquiries to **Dr. S. C. Spraragen, Chief, Radioisotope Service, VA Hospital, 800 Poly Place, Brooklyn, N.Y. 11209. Telephone 212-836-6600, Extension 271.**

(a) **Physiologist** exp psychomotor research; aerospace lab, univ-affil; to \$18,000 FEE PD; E. (b) **Biochemist** hosp functions, ample research; 600-bed hosp; \$15-20,000; E. (c) **Microbiologist** supv dept, teach, research; univ hosp 700 beds; academic rank; \$16,000 up; Calif. (d) **Pharmacologist** direct new CNS research program, drug mfr; \$19,000; E. Write **WOODWARD PERS BUREAU**, 185 N. Wabash, Chicago 60601.

**VACUUM SALES ENGINEER**—Our expanding vacuum equipment business provides opening for an aggressive, ambitious engineer to assume sales responsibility for the Pittsburgh District. Will be located in the home office with some travel required. Engineer without vacuum equipment sales experience will be considered. Successful applicant must be promotable. If you want to become an important member of a small, rapidly expanding company, send resume and salary requirements to: **J. K. Bedell, Heraeus-Engelhard Vacuum, Inc., Seco Road, Monroeville, Pa. 15146.**

University of Calgary, Department of Biology, invites applications for positions at the level of Assistant or Associate Professor for Posts in Invertebrate Physiology, Immunology (or Immunochemistry), Bacterial Physiology, Environmental Vertebrate Physiology, Developmental Plant Physiology.

Anticipated minimum salaries—\$9,500 (Assistant level) and \$13,000 (Associate level).

Applications with curriculum vitae including names and addresses of three referees should be sent to:

**Dr. J. B. Cragg, Dept. of Biology,  
The University of Calgary,  
Calgary, Alberta, Canada.**

## GRADUATE STUDY

**Radiological Health Fellowships** for graduate study leading to M.S. degree. Available Fall 1968. Include \$3,000 per year, plus \$500 per dependent, tuition and fees. Broad, basic curriculum. Inquire: **Dr. F. G. Dunnington, Director, Radiation Science Center, Rutgers University, New Brunswick, N.J. 08903.**

### Graduate Assistantships in Biochemistry St. Louis University School of Medicine

Expanded staff and facilities of the Edward A. Doisy Department of Biochemistry offer ideal opportunity for graduate training in major fields of biochemistry and molecular biology represented in research and teaching program. Funds available are primarily for United States citizens or immigrants. Apply now for academic 1968-69 to: **Dr. Robert E. Olson, Chairman, Department of Biochemistry, St. Louis Medical School, St. Louis, Missouri**

**POSTDOCTORAL TRAINEESHIPS IN METABOLISM AND NUTRITION.** Postdoctoral Traineeships in the field of Metabolism are available in the Department of Biochemistry, St. Louis University, School of Medicine. The program is primarily for physicians who have had a minimum of an internship and who are interested in learning the application of biochemistry to clinical investigation. Facilities for human studies available in Department of Medicine. The stipends begin at \$6,000 per annum with \$500 for dependents and appointments may be made for a period of one to three years beginning July 1, 1968; Ph.D. degree possible. Please apply to: **Dr. R. E. Olson, Professor and Chairman, Department of Biochemistry, St. Louis University School of Medicine, St. Louis, Missouri.**

## GRADUATE STUDY

**GRADUATE STUDY IN PHARMACOLOGY.** A program leading to the Ph.D. degree involving course work and research training which stresses research on fundamental mechanisms of drug action on neural, neuro-humoral, membrane transport, and endocrine systems using electrophysiological, biomedical and computer techniques. Full stipend and tuition available. Early application for September 1968 strongly advised. **Department of Pharmacology, Schools of Medicine and Dentistry, State Univ. of N.Y. at Buffalo, 122 Capen Hall, Buffalo, N.Y. 14214.**

### Predoctoral Assistantships and Traineeships in Physiology

Excellent opportunities for graduate students leading to the Ph.D. Ample stipends and free tuition. Training and research in endocrinology, gastrointestinal, water and electrolyte metabolism, cardiovascular, sensory physiology, energy metabolism and bioengineering. Write for details to **Head, Department of Physiology, University of Illinois at the Medical Center, P.O. Box 6998, Chicago, Illinois 60680.**
