Erratum: In the caption of the cover photograph for 25 May 1973, the word "below" is misplaced; it should be deleted from the first sentence, and the second sentence should read: "(Below) Same view taken through a cylindrical lens . . ." Two errors occurred in the report by Freeman and Thibos in the same issue, p. 876: in column 2, line 4, "Freeman and co-workers" should be changed to "Freeman *et al.*"; in column 3, line 44, "the visual resolution" should be changed to "visual resolution"—Ed.

Erratum. The major affiliations of the following new members of the National Academy of Sciences (*Science*, 11 May) are: Edward H. Ahrens, Jr., Rockefeller University; Robert W. Fogel, University of Chicago; and Gilbert F. White, University of Rochester.

Erratum: In the illustration accompanying the review of Valentin Boss's *Newton and Russia* (11 May, p. 624), the drawings designated "Left" and "Right" were interchanged. The three drawings that appear at the right represent the "Newtoniano-Gregor-Lomon. tubus" and the one at the left represents the "tubus nyctopticus modo Lomonosov-Newton."
