

# Call for Symposium Proposals

## Philadelphia Meeting • 25–30 May 1986

AAAS members are invited to submit symposium proposals for the next Annual Meeting in Philadelphia, 25–30 May 1986. Please complete the form below, attach a "Synopsis of Objectives" (about 200 words), and send it to us **not later than 1 August 1985**.

We are particularly interested in symposia dealing with the latest developments in science and technology, and the implications of these developments for society.

All symposium proposals are subject to review. If the information submitted is inadequate for reviewing, the proposal will be returned. Endorsement (sponsorship) by a AAAS Section Committee expedites the review process. It is therefore in the interest of the proposer to send a *copy* of the proposal to the appropriate Section Secretary (see table of contents page of

*Science* for names) for endorsement at the same time the *original* is sent to the AAAS Meetings Office.

Speakers should *not* be confirmed at this time; however, sufficient information about probable speakers and their topics should be provided to allow for evaluation of the proposal. Please note that AAAS does not pay honoraria to speakers.

### Some Deadlines

**October:** You will be notified about acceptance, conditional acceptance, or non-acceptance of your proposal. Further information will be provided at that time.

**November:** Preliminary programs with confirmed speakers are due.

**January:** Final program copy, suitable for publication, is due.
