**AVOID CONGESTION AND DELAY
GET YOUR GENERAL PROGRAM
EARLY IN DECEMBER**

Registration in *advance* of arrival at the 116th Annual Meeting of the AAAS in the Pennsylvania Zone hotels of New York City, December 26-31, 1949, has so many advantages that we wonder why almost *everyone* doesn't take this simple step. For instance:

1. You avoid congestion and delay at the Registration Desks in the hotel foyers. All indications point to a record-breaking attendance since all of the Association's seventeen sections and subsections, and more than fifty societies, will have sessions; also this is the first meeting in New York City since 1928.
2. You receive the General Program early in December in ample time unhurriedly to decide among the events and the sessions of the societies that you wish to attend.
3. Your name and hotel address will be in the Visible Directory the first hour of the first day of the meeting, since it will be posted in Washington as soon as processed.
4. Advance Registrants will have the same privileges of receiving a map and directory of points of interest of New York City, literature, radio broadcast tickets, etc. At the convenience of Advance Registrants, these will be distributed from the Main Registration on the Penn Top of the Hotel Statler, the location of the Annual Science Exposition, the Visible Directory, and the Science Theatre. Admission to the excellent series of latest scientific films will be free to all Registrants.

This year, as a result of the vote of the biological societies, including the American Society of Naturalists, the sponsors, the Biologists' Smoker will be open only to regular registrants or those who pay a registration fee at the time.
