*Erratum:* Two announcements of appointments in the 3 February issue, page 548, were in error. The correct information is: **Malcolm B. Hoagland**, associate professor of bacteriology and immunology at Harvard Medical School, to professor and chairman of the department of biochemistry, Dartmouth Medical School, and **Elmer R. Pfefferkorn**, Silas Arnold Houghton assistant professor of bacteriology at Harvard Medical School, to associate professor of microbiology at Dartmouth Medical School.

*Erratum:* The title of Enoch Powell's book was incorrectly stated in the issue of 10 February, page 671. The correct title is *A New Look at Medicine and Politics*.
