# PERSONNEL PLACEMENT

**CLASSIFIED: Positions Wanted.** 25¢ per word, minimum charge \$4. Use of Box Number counts as 10 additional words. Payment in advance is required. Send copy for position wanted ads to:

**SCIENCE**  
1515 Massachusetts Ave., NW  
Washington, D.C. 20005

**COPY** for ads must reach **SCIENCE** 2 weeks before issue date (Friday of every week).

**DISPLAY: Positions Open.** Rates listed below—no charge for Box Number. Rates net. No agency commission allowed for ads under 4 inches. No cash discount. **Minimum ad:** 1 inch. Ads over 1 inch will be billed to the nearest quarter inch. Frequency rate will apply only to repeat of same ad. No copy changes. Payment in advance is required except where satisfactory credit has been established. Send copy for display advertising to:

**SCIENCE**  
Room 1740  
11 West 42 St.  
New York 36

Single insertion	\$75.00 per inch
4 times in 1 year	70.00 per inch

For **PROOFS** on display ads, copy must reach **SCIENCE** 4 weeks before date of issue (Friday of every week).

Replies to blind ads should be addressed as follows:

Box (give number)  
**SCIENCE**  
1515 Massachusetts Ave., NW  
Washington, D.C. 20005

## POSITIONS WANTED

**Bacteriologist**, Ph.D. Fermentation manager, Academic experience too, desires relocation. Box 473, **SCIENCE**. X

**Coordinator of Research**, Ph.D. Chemistry (1941). Outstanding record with university, industry, government. Box 480, **SCIENCE**. 6/9, 16, 23

**Geneticist**, Ph.D., seeks research/teaching; mammalian biochemical genetics; teaching/research experience. Box 469, **SCIENCE**. X

**Physical Biochemist**, Associate professor, many quality publications and substantial research support. Desires academic position in university department with vigorous graduate program and research activities. Box 481, **SCIENCE**. 6/9

(a) **PHYSIOLOGY** Ph.D.; Pharmacology minor; R&D cardiovascular-pulmonary drugs; clinical studies; developed electronic data system; administrative duties; prefers executive pharmaceutical appointment. (b) **BIOCHEMISTRY** Ph.D.; brain tumor-isotope research; desires academic position. **WOODWARD MEDICAL PERSONNEL BUREAU**, 185 North Wabash, Chicago 60601.

## POSITIONS OPEN

### RESEARCH PHARMACOLOGISTS

Hazleton Laboratories, a rapidly expanding company located in Suburban Washington, D.C., requires two Pharmacologists with Ph.D. degrees. One should have 2-5 years' experience and will serve as the principal investigator of an ongoing cancer chemotherapy research program. The other should have a strong research background, 5-10 years' experience, and an interest in developing new contract research programs in renal, cardiovascular, or neuropharmacology. Excellent employee benefits program including profit sharing. Please write:

HALL A. ACUFF, Assistant Personnel Manager  
**HAZLETON LABORATORIES, INC.**  
P.O. Box 30, Falls Church, Virginia 22046  
An Equal Opportunity Employer M/F

## POSITIONS OPEN

### INHALATION TOXICOLOGIST

Hazleton Laboratories' Inhalation Division, one of the world's largest facilities for experimental work in inhalation toxicology, requires an Inhalation Toxicologist with a Ph.D. in Physiology, Pharmacology, or Toxicology with 0-3 years' experience, preferably in inhalation research. Duties include fundamental investigations of air pollutants and airborne hazards; supervision of technical staff members. Equipment and instrumentation include over 50 stainless steel and glass dynamic exposure chambers, body plethysmographs, spirometers, gas and particle analyzers, specialized transducers and recorders, and an IBM 1800 real time computer. Resumes and publications of Inhalation staff members are available on request. Excellent employee benefit program including a profit sharing plan. Please send resume to: Hall A. Acuff, Assistant Personnel Manager, **HAZLETON LABORATORIES, INC.**, P.O. Box 30, Falls Church, Virginia 22064.

An Equal Opportunity Employer M/F

**MEDICAL TECHNOLOGISTS**, R&D laboratory in Suburban Washington, D.C., needs two Medical Technologists with B.S. or M.S. degrees and 2 to 5 years' experience in clinical chemistry, hematology, urine analysis and/or parasitology and serology; 40-hour week; excellent employee benefits, including 100% tuition refund for job-related courses, and profit sharing. Please write: **HALL A. ACUFF**, Assistant Personnel Manager, **HAZLETON LABORATORIES, INC.**, P.O. Box 30, Falls Church, Virginia 22046.

An Equal Opportunity Employer M/F

**PHYSIOLOGIST or CELL BIOLOGIST** to develop courses in these fields, help teach general biology in liberal arts college in Central Appalachia. Start Sept., rank open, \$7000-\$15,000 9-mo. plus 1/6 for 5-wk. summer term. Write **Chm., Biol. Dept., Concord Col., Athens, W. Va.**

## ECOLOGIST

Are you a Ph.D. Ecologist with up to 10 years experience? Then you should investigate this opportunity.

Present projects include terrestrial and freshwater ecology, food chain dynamics, and the effects of pollution and other environmental disturbances on ecosystems. Experience or training in radioecology is desirable but not essential.

If you have the ability to plan, manage and conduct field research—if you are interested in individual expression, growth, and exceptional benefits, send resume to W. W. Spievak, Personnel Department.

## BATTELLE MEMORIAL INSTITUTE

### COLUMBUS LABORATORIES

506 King Ave. Columbus, Ohio 43201

Several opportunities in other fields at Battelle. Write us about your qualifications.

## CHEMICAL PHARMACOLOGIST

### Ph.D. required

Medium-sized pharmaceutical and proprietary firm desires individual trained in pharmacology and biochemistry, with 0-5 years experience, to organize a program in basic and applied research in the areas of CNS activity, gastrointestinal function, dermatology and drug metabolism oriented to proprietary drugs. The candidate will assist in setting up laboratory facilities and obtaining personnel for exploratory and investigational work. He will also assist in the design of screening programs, toxicological studies and clinical trials and the analysis of the results obtained from them.

The position offers unusual opportunity for personal growth through investigations in varied research areas and working with scientists in outside laboratories.

Please send complete resume to: Personnel Manager

### CARTER-WALLACE, INC.

Cranbury

New Jersey

An Equal Opportunity Employer

Physiologist, Ph.D. or M.D. Instruct first year medical students and graduate students at M.A. and Ph.D. level in growing two year medical school. Renal or pulmonary physiologist preferred. Adequate time for research in well equipped research laboratories. Rank, assistant professor, \$12,500. Send resume to: Dr. W. O. Read, Dept. Physiology, University of South Dakota, Vermillion, South Dakota 57069.

### POSITIONS OPEN

B.A., M.A. or Ph.D. level

**HISTOLOGIST or ZOOLOGIST** with interest in action of chemicals on cells.

**ANATOMIST** with interest in embryology.

**BIOCHEMIST** with knowledge of thin layer and vapor phase chromatography.

Academic institution. Send detailed Curriculum Vitae to

Box 472, SCIENCE

Research Assistant needed in cellular radiation biology laboratory. Minimum qualifications: B.S. degree, 1 year experience in one of the following: tissue culture, microbiology, cytology, nucleic acid biochemistry, physical biochemistry. Contact Personnel Office or Dr. W. C. Dewey, Department of Radiology and Radiation Biology, Colorado State University, Fort Collins, Colorado.

**Wanted: Taxonomist (Culicidae)** by South East Asia Mosquito Project (SEAMP) of Smithsonian Institution in Washington, D.C. Starting salary depending on qualifications and experience \$9,000 to \$11,000 per annum. Successful candidate can expect yearly increments and benefits such as sick leave, retirement, health and life insurance. Send full details to Project Leader, SEAMP, Smithsonian Institution, Washington, D.C. 20560. An equal opportunity employer.

**Zoologist, Ph.D.**, to teach genetics and embryology in expanding biological program; research opportunities in new science building, operational in fall, 1968. Send complete resume to Dr. H. H. Najarian, University of Maine in Portland, Portland, Maine.

### Ph.D. STATISTICIAN

The University of Washington-Regional Medical Program is seeking a staff statistician with doctorate in math statistics or biostatistics. Duties will involve challenging applied research, including data analysis and design of experiments. Part-time teaching duties possible if desired.

### PSYCHOLOGIST

Educational or Motivational Psychologist, Ph.D. preferred, M.S. with experience will be considered. Starting salary commensurate with academic training and related experience. Association with the University of Washington offers a wide range of benefits, including opportunities for continued education. Contact Mr. Jack P. Kornfeld, Regional Medical Program, E-314 Health Sciences Building, University of Washington, Seattle, Washington 98105, Phone (206) 543-8540.

An Equal Opportunity Employer

## PHYSIOLOGIST / PHARMACOLOGIST

— Ph.D. —

Seeking a Ph.D. in Physiology or Pharmacology with strong interests and training in the gastrointestinal system. Person will participate in planning, investigating, and evaluating a research program designed toward developing new chemotherapeutic agents to be used in gastrointestinal disorders. Will supervise a group of two to three junior scientists. Position offers an opportunity to work closely with scientists trained in a variety of disciplines. Company offers a liberal salary and benefit plan. Please send resume and salary requirements to: Cyrus M. Greenberg, Ph.D., Director of Scientific Employment—

### SMITH KLINE & FRENCH LABORATORIES

1542 Spring Garden Street  
Philadelphia, Pa. 19101

An Equal Opportunity Employer

## FELLOWSHIPS

### UNIVERSITY OF SOUTHAMPTON

Research Fellowship in  
Transplantation Immunology

Applications are invited for the above post, which will be available from 1 August 1967. The Research Fellow will join a Medical Research Council research group under the direction of Professor L. Brent.

Applicants should be postdoctoral and have some training and/or research experience in immunology, preferably (but not necessarily) in the field of tissue transplantation. The Fellowship will be initially for a period of 3 years. Salary will range from £1,085 to £2,270 (sterling) depending on qualification and experience. F.S.S.U.

Further particulars may be obtained from Professor L. Brent, Department of Zoology, The University, Southampton. Applications, including curriculum vitae and the names of two referees, should reach the Deputy Secretary, The University, Southampton, England, by 15th June.

### AUSTRALIAN NATIONAL UNIVERSITY INSTITUTE OF ADVANCED STUDIES DEPARTMENT OF ASTRONOMY

Applications are invited for the positions of Research Fellow and Senior Research Fellow at Mount Stromlo and Siding Spring Observatories, the Department of Astronomy (Head of Department, Professor O. J. Eggen). Applicants will be expected to have at least several years of research experience in some branch of astronomy. The successful applicants will be expected to devote their time to the prosecution of independent research.

The salary of a Research Fellow is determined within the range \$A4800-6300 per annum; that of a Senior Research Fellow in the range \$A6780-8100. Appointment is usually for three years with a possible extension to five years.

Superannuation is on the F.S.S.U. pattern with supplementary benefits. Reasonable travel expenses are paid and assistance with housing is provided. Further particulars may be obtained from the Association of Commonwealth Universities (Branch Office), Marlborough House, Pall Mall, London, S.W.1.

Applications close in Australia and London on 16 June 1967.

**UNIVERSITY OF MANITOBA  
MEDICAL FACULTY, WINNIPEG, CANADA**  
**IMMUNOCHEMIST.** To form part of a team the members of which will have training and research experience in various aspects of haematology and immunology. Immediate research interest: blood group immunology, first human, then animal, but appointee expected to develop his own field of research too. Salary dependent on training and experience.  
Apply to Dr. Bruce Chown, Rh Laboratory, 735 Notre Dame Avenue, Winnipeg 3, Canada.

# HELP WANTED

## TO MAKE THE DESERT BLOOM

## THE STREETS SAFE

## THE TEACHER MORE EFFECTIVE

Autonetics needs scientific, engineering, and programming people to develop programs that will, among other things, bring water to drought-beset farmers and thirsty city-dwellers, that will aid law enforcement, that will help harassed teachers. Our need is immediate; their need is desperate. You'll do vital front line work on "weapons systems"—for the war on want, crime, ignorance and disease. You'll receive

good pay, work with distinguished colleagues and the latest equipment. You'll live in Southern California (so while you're helping the desert bloom, your family will blossom). For more information, write: M. G. Kroger, Vice President, Information and Life Sciences Systems, Dept. 051-043, Autonetics Division, North American Aviation, Inc., 3370 E. Miraloma Ave., Anaheim, Calif. An equal opportunity employer.

**You'll do well at Autonetics. More important, you'll do good.**

**North American Aviation  Autonetics Division**

## AO Dual Viewing Microstar® for more effective communication

Two people can see the same image simultaneously without sacrificing image quality, adjustment time or superb operating convenience.

Each viewer enjoys the same sharp image over the entire field. The Microstar Microscope's unique infinity-corrected optical system eliminates blurred and fuzzy edges.

For cross-reference, an illuminated, transparent pointer is superimposed on the field. It can be positioned instantaneously to pinpoint specific slide areas or minute details of the specimen.

The Autofocus stop saves every-

®Registered Trademark American Optical Company

body's time . . . eliminates wasted motion. It simplifies coarse adjustment so that perfect focus is merely a matter of touching up the fine adjustment. And, since the nosepiece is gravity-loaded, it's practically impossible for you to break slides or to damage the objective.

Applications are unlimited—for a second opinion, immediate verification, continuous observation or routine lab training. Whenever accurate communication is essential, consider the AO Dual Viewing Microstar.

For more information, call your AO Sales Representative or write.
